ER Chron

21 January 1977

NOTE FOR: Acting Director

25X1 1. This DDI paper omits the NIO contribution to the Mondale trip, which, according to [] consisted of:

a. A memorandum describing the major points of difference between the A and B Team positions;

b. Talking points for Mondale if he were to be asked for his view of the Soviet threat.

These were prepared under NIO/SP's supervision and forwarded to Mondale's office about one week ago.

2. Per your telephoned request, these, and the OER and ORPA papers mentioned in the attached, are appended herewith. The FBIS roundup will be sent to you in the car tomorrow morning. []
